Cairns Community Enterprise (CCE) is an initiative of the Bendigo Bank, assisting sporting and not for profit organisations get ahead financially through accessing the loan, deposit and insurance services of Bendigo Bank and receiving a monetary income sharing arrangement in return.

Bendigo Bank boasts a strong local history in Far North Queensland and is a strong values based business built on the experience and skills of its local team and its inherent ability to give back to the community in which it serves.

CCE has established an income sharing arrangement with your organisation. What this means is as a partnering organisation of CCE your club or not for profit entity will receive a monthly income for business written through the Bendigo Bank. So every dollar you process through the Bendigo Bank a percentage is directly paid back to the bank account of your organisation to assist it financially.

CCE was established in April 2009 and has been created in a bid to build financially stronger sporting clubs and not for profit organisations in this local region.
